Additional Notes:

- Preliminary winners will be announced at 2:00 on the day of the contest (see schedule [here](#)) but prizes will not be sent out until we have verified each winner's eligibility with their school/teacher. [Contest enrollment rules](#) can be found here. If a student is found to be ineligible, the prize will be given to an eligible student with the next highest score.
- It is possible for a student to win more than one prize.
(Example: If a student wins 1st place in Calculus, 4th place in Physics, and 2nd place in Smackdown, they would receive $\$100 + \$40 + \$80 = \220 in Amazon gift cards.)
